Padmaja wrote to me a few weeks back and shared her work with me. As I browsed through her albums, I was mesmerised by the gossamer fabric and fluid silhouettes of her beautiful clothing line. I could almost feel the gorgeous clothes through these images! Padmaja, an alumnus from the National Institute of Fashion Technology, New Delhi, has had solo as well as group exhibits of her work in several countries including UK, Japan, USA, Hong Kong and Portugal. Her work has recently been covered brilliantly by [Vineeta](#) and [Kavita](#) - do click on the links to read more about her profile and inspiration.
